

# AOP Health Group

The AOP Health Group is the European pioneer for integrated therapies for rare diseases and in critical care.

Over the past 25 years, the Group has become an established provider of integrated therapy solutions operating from its headquarters in Vienna, its subsidiaries and representative offices throughout Europe and the Middle East, as well as through partners worldwide. This development has been made possible by a continually high level of investment in research and development on the one hand and a highly consistent and pragmatic orientation towards the needs of all its stakeholders on the other – especially the patients and their families as well as also the healthcare professionals treating them.

The AOP Health Group incorporates several companies including AOP Health International Management AG, AOP Orphan Pharmaceuticals GmbH, Orpha Care GmbH, and Amomed Pharma GmbH in Vienna, Austria as well as SciPharm s.r.l. located in Luxembourg.

# Therapy Divisions

The AOP Health Group portfolio consists of therapies for rare diseases and in critical care in four indication areas.

# Partnerships

Partnerships are of key importance at AOP Health. They allow further development of AOP Health's rare disease and critical care portfolio and enable reaching patients beyond the company's core markets in Europe.

AOP Health focuses on two partnership approaches:

**IN-LICENSING:** AOP Health is a partner for pharmaceutical companies that develop or already have developed their product and want to reach patients all over the world.

**OUT-LICENSING:** AOP Health enables patients around the world to get access to its products through a selected partner network.

**CONTACT US** for partnering opportunities with AOP Health! We are looking forward to hearing from you!
